

Hostel Accommodation

On campus, student housing is must to create a welcoming, comfortable, secure and hygienic living environment. A comfortable stay fosters student learning and overall development.

The University provides accommodation to students at the University campus. Residences located at its main campus are within walking distance from the academic wing. There are 76 rooms in each hostel having intake capacity of 94 students. The accommodation is offered in single seater and double seater rooms. For security purposes the boundaries and entrance to the hostels manned by male / female security guards and caretakers. The hostels have well-furnished guest rooms for visitors. A medical room with paramedical services is available in the hostel with staff nurses on duty for 24 hours.

Hostels are equipped with Wi-Fi internet facility and common rooms are fully equipped with TV, indoor games and other recreational facilities. Basketball court is also available for students. The building is eco-friendly and equipped with Solar Water Heating System for providing 24 hours hot water supply. University is in the process of building more hostels with a large capacity to accommodate more students.
