

University Library

The Central Library of I.K. Gujral Punjab Technical University is in-housed in its rear building. The three-floored library is interconnected, centrally air conditioned, with a seating capacity of more than 500 readers at a time and is well connected and easily approachable from all the Departments of the University. The library's independent building is also near completion.

At present the library caters to the need of the large number of students. The facility is being provided to IKGPTU Research Scholars / Research Supervisors / Faculties / Campus Students / staff, Distance Education Students, Affiliated Colleges Students/ Faculty etc. The library has a diverse collection of more than 15000 books including Govt. publications, statistical reports, conference proceedings, reference books, text books, scriptures, distance education study materials and fiction and nonfiction books.

The IKGPTU library has more than 8000 (PhD/ M Tech research thesis) which provide a vital source of information to the research community. In its digital collection, the library has nearly 37,000 digital resources including research thesis, utility software's, study materials, reference works, e books, images, infotainment materials etc. The library has also stored back volumes of important periodicals. The library provides news clipping service to all the Departments of the University. It has also maintained a complete and vast record of all the news clippings and advertisements published in regard to the University from the 2001 to till date.

The library is equipped with all the modern electronics facilities. It has an electronic database of all its collections. The library also provides document delivery service. It has access to number of e-resources/ databases & e-Journals. This facility is being provided through in house Library access and simultaneously through Remote Access facility also. The library also provides internet access facility and reprographic facility to its users. The University library is also a member of **DELNET** which provides free access to a number of e journals, e books, electronic databases and research publications. The Plagiarism checking software facility is also available with the library.
