

Message from the Chancellor

I am delighted to learn that I. K. Gujral Punjab Technical University has successfully completed its previous academic year and is stepping into next one. I am happy to see the University moving persistently towards achievement of its educational mission.

IKGPTU deems it necessary to foster the innate capability of every student by turning it into actuality. So, keeping the interest of students at the forefront, it has taken various praiseworthy initiatives like development of industry ready curricula for various courses, expansion of modernized research infrastructure, online Public Grievance Portal, catering to the technical and professional needs of working professionals through

Distance Education, an exposure of International industrial training and placement of students in various Public Sector Units and private industries.

IKGPTU is playing a vital role in development of India and especially in state of Punjab through its remarkable role in the fields of technical education and skill development. I acknowledge the sincere efforts and dedication put in by the team of IKGPTU in the successful achievement of its objectives.

I hope and wish that the students, faculty and staff of I. K. Gujral Punjab Technical University will be able to meet all the challenges of human development in the days to come and will go on their way to reach new landmarks in different fields of technical education.

Sh. V. P. Singh Badnore

His Excellency, Governor of Punjab
