

I. K. Gujral Punjab Technical University has achieved great heights in the field of technical education. Various initiatives of this University towards promoting technical education and building human resources in the state of Punjab and in rest of the country are indeed praiseworthy. Today, IKG PTU has

become a university with a global outlook by making a difference in delivery of education in a wide range of disciplines including Engineering, Management, Pharmaceuticals and Architecture.

I congratulate the students for choosing I. K. Gujral Punjab Technical University as an associate in making their academic and professional dreams come true. This University has been established with a vision to create and build a distinctive system of education that focuses on promotion and growth of higher technical education.

IKGPTU firmly believes that a dynamic and healthy academic environment is the prerequisite of an excellent educational model. Hence, an attempt is made to create self-sufficient and independent learning systems wherein students emerge as all rounded personalities, ready to face the global challenges with professionalism and integrity.

Further, through state-of-the-art academic and research infrastructure, application oriented pedagogy, highly qualified and dedicated faculty, industry oriented curricula, industrial tie ups for training and employability, we at our University endeavour to look beyond the traditional patterns of learning and strive to achieve a level benchmarked with the best.

I welcome you to be a part of learning experience at IKG PTU and embark on a journey towards excellence and self-attainment.

My best wishes to all of you for a successful and bright future ahead!

**Prof. (Dr.) Ajay Kumar Sharma**

**Hon'ble Vice Chancellor**
