

## Message from the Vice Chancellor

Dear Students!

I would like to congratulate all of you for choosing I.K. Gujral Punjab Technical University as an associate in making your academic and professional dreams come true. The University has been established with a vision to develop a distinctive system of education that enhances the application and significance of higher technical education in the state of Punjab and in rest of the country.

Today, IKGPTU has become a university with a global

outlook by making a difference in delivery of education in a wide range of disciplines including Engineering, Management, Pharmaceuticals and Architecture. We firmly believe that right academic environment is the chief requisite of an excellent educational model. So, we strive to create a self-sufficient and independent ambience to make our students capable and effective in any part of the world and socially responsible.

Through our state-of-the-art academic and research infrastructure, application oriented pedagogy, highly qualified and dedicated faculty, industry oriented curricula, industrial tie ups for training and employability, we endeavor to look beyond the traditional patterns of learning and strive to achieve a level benchmarked with the best.

I welcome you to share the learning experience that IKGPTU provides and to be a part of its voyage towards excellence and self-attainment.

**My best wishes to you for a commendable and happy life ahead!**

**Sh. Kahan Singh Pannu, IAS**
